Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

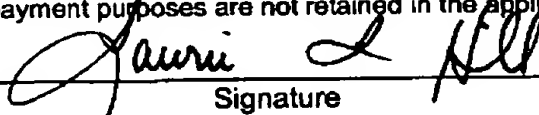

☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.

☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ \_\_\_\_\_ for a small entity or \$ \_\_\_\_\_ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

Commissioner for Patents

P.O. Box 1450

Alexandria VA 22313-1450

Sir:

Applicants provide herein a statement of unintentional abandonment to support the petition for revival of the above-captioned patent application under 37 C.F.R. § 1.137(b) filed herewith.

On December 30, 2005, the six-month deadline for filing a response to the outstanding Office Action dated June 30, 2005 unintentionally lapsed without Applicants filing the required response. Upon discovering this lapse, Applicants began preparations for the present Petition.

Applicants respectfully request that the Office consider the Reply to the outstanding Action filed herewith.

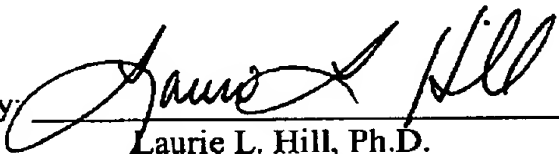

The entire delay in filing the required reply from the September 30, 2005 due date for the reply until the filing of this Petition was unintentional.

Atty Docket No. 0206-UTL-9

Authorization to charge the Petition Fee under 37 C.F.R. 1.17(m) is provided herewith. A petition for an extension of time is also included herewith. In the event that extensions of time beyond those petitioned for herewith are necessary to prevent abandonment of this patent application, the Commissioner is hereby authorized to charge payment of extension fees or any other fees associated with this communication, to Applicant's Deposit Account No. 010535, referencing matter number 0206-UTL-9. Additionally, the Commissioner is hereby authorized to charge payment or credit overpayment of any fees during the pendency of this application to Applicant's Deposit Account No. 010535, referencing matter number 0206-UTL-9.

Respectfully submitted,
